1998 Site Environmental Report BNL-52572

The Brookhaven National Laboratory Site Environmental Report for Calendar Year 1998 is organized by chapter, each downloadable in Portable Document Format (PDF).

The production of this report requires the knowledge, skill, experience, and cooperation of many people and several organizations at the Laboratory. The main authors, co-authors and other contributing staff and organizations are gratefully acknowledged [here](#).

- [Table of Contents/Executive Summary](#)
- [Introduction](#)
- [Environmental Management System](#)
- [Compliance Status](#)
- [Concepts of Radioactivity](#)
- [Air Quality](#)
- [Water Quality](#)
- [Flora and Fauna](#)
- Groundwater Protection
 - [Section 1](#)
 - [Section 2](#)
 - [Section 3](#)
 - [Section 4](#)
 - [Section 5](#)
- [Radiological Dose Assessment](#)
- [Quality Assurance](#)
- [Appendix A](#) - Glossary of Terms
- [Appendix B](#) - Radiological Data Methodologies
- [Appendix C](#)- Instrumentation and Analytical Methods
- [Appendix D](#)- Groundwater Monitoring Wells List
